

BOSTON TEA PARTY DESCENDANTS

DECEMBER 16TH, 1773

The Boston Tea Party Descendants Program is pleased to have recently received your lineage society application. We hope this lasting connection to your historic ancestor will last many generations to come. We thank you for this opportunity to honor your family legacy.

As you can imagine, The Boston Tea Party Descendants Program receives hundreds of ancestry research on hundreds of families across the Commonwealth. This represents a wealth of scholarly research that could potentially help others conducting similar research on their BTP participant.

Because of this, The Boston Tea Party Museum is requesting permission to make your genealogical research available to our members and our staff.

We may also edit this research for inclusion in one of our publications. Neither your name nor any other personal information will appear.

I, _____, the undersigned, grant permission to The Boston Tea Party Museum and the Boston Tea Party Descendants Program.

I am aware that my lineage research may or may not be selected for publication. This request for permission will be filed with your completed application.
